

PEOPLE GIFT ENVIRONMENT DESCRIPTION

Apostle	Thriving	Helping the community step out into new territory, living out their "sentness" in their neighborhood and networks by multiplying disciples, ministries and missional communities
Prophet	Liberating	Helping the group pursue God, experience liberation from personal and social sins, as well as stand with the poor and oppressed in the power of the Spirit
Evangelist	Welcoming	Helping the community extend the table of fellowship to all, especially those whom society has marginalized, by being witnesses of His great love.
Pastor	Healing	Helping people embody reconciliation as well as work through their past hurts and move toward a sense of wholeness in the context of community.
Teacher	Learning	Helping the community inhabit God's story in such a way where the community teaches one another what it means to live into God's future in an everyday kind of way.
